

Strawberry Festival Cruise Father's Day weekend

By late June on the North Fork the strawberry crop is reaching its peak and bursting with flavor. On Father's Day weekend, at the peak of the strawberry harvest, the Mattituck Lions Club brings the community together for a special weekend of fun and purpose. Whether you're here year-round, are a seasonal resident or are drawn here by the Festival, you're in for a wonderful time – all while raising money for local non-profits!

Dig into the strawberry shortcake, sample the strawberries dipped in chocolate, try the strawberries any way you like them. Head over to the rest tent to enjoy live music. Then find out what over 100 arts and craft vendors have available for sale

Cocktails on Friday night on Just Desserts... It would be really helpful if you could let us know if you are coming by June 10 the latest
