

Greetings All

This is the tentative schedule for the July 16th “Kids Cruise” to Three Mile Harbor.

Tides are not favorable for the trip to three mile BUT in order to try to get the most out of the weekend and attempting to make this a “club event” I am encouraging all to leave at 0800 on Saturday morning, meeting in the Duck Island Roads and departing from there at 0815 for Three Mile.

The general plan is to have “Kids events” taking place Saturday Afternoon at the Beach; With a little help and guidance from Kids and Adults we will provide the opportunity for: Dingy sailing,/ racing

Beach ball volleyball/dodge ball/kickball

Balloon toss

Egg race/toss

Frozen Tee shirt contest (involves having a frozen Tee Shirt, and having teams try to thaw it enough to put it on. First team to wear wins. We have boats with freezers, but a pre frozen T that fits would help

Scavenger Hunt (if someone can arrange it)

For contests I do not have prizes, we will just provide accolades.

Plan to have the evening meal be a Picnic at the beach. We will have propane grills but boaters should bring their own “eating necessities” and perhaps bug repellent.

Making S’mores after dinner (Graham crackers, milk chocolate and toasted marshmallows, sandwich) We will provide toasting sticks and the fix’ns for these

THERE WILL BE FIREWORKS that evening. <http://bonacfireworks.org/>

Sunday morning, depending on interest, we can provide whatever interests our young participants.

Here’s hoping that Mother Nature cooperates and that a good time will be had by ALL
