August 6, 2014

Thank you to all our national sponsors
Raise A Sail And Help Find A Cure

The Leukemia Cup Regatta is more than boats and crews racing—it’s thousands of sailors across the United States who have elevated competition to a whole new level. They race to win while helping The Leukemia & Lymphoma Society (LLS) achieve its mission: Cure leukemia, lymphoma, Hodgkin’s disease and myeloma, and improve the quality of life of patients and their families.

Sailors race in the name of an honored hero from the community who has blood cancer. The funds they raise support patient services, advocacy for lifesaving treatments and therapies that are saving lives today.

Throughout the country, LLS Regattas have raised more than $46 million to support our mission.

When you race in the Leukemia Cup Regatta, you are saving lives.

LLS is the world’s largest voluntary health organization dedicated to funding life saving therapies and providing education and patient services.

LLS has funded almost 1 billion dollars by partnering with pharmaceutical and recently, biotechnology companies to research more effective therapies. In fact, many LLS-supported advances help more than the blood cancer patients for whom they were first developed.

Fifty percent of the cancer drugs approved by the Food & Drug Administration (FDA) since 2000 were first approved to treat patients with a form of blood cancer. Many of these drugs are now commonly used to help additional patients and some are showing promise against certain solid tumors, and other cancers.

The need is critical
- Every four minutes, someone in the United States is diagnosed with a blood cancer and every 10 minutes, someone dies.
- Leukemias cause more deaths than any other cancer among children and young adults under the age of 20.
- Non-Hodgkin lymphoma is the seventh most common cancer in the United States.
- Overall five-year survival for myeloma is just 41.1 percent.

When you race in the Leukemia Cup Regatta, you are saving lives.

Regatta Weekend Timeline

Friday, August 22nd, 2014
1800-2000 Leukemia Cup Reception
North Cove Yacht Club
Check-in and enjoy drinks, food, and our incredible silent and live auctions!
Saturday, August 23rd, 2014

Thank You For Your Support
The 2014 ECSA Leukemia Cup Regatta would not be possible without the support of Duck Island Yacht Club, North Cove Yacht Club and Brewer Pilots Point Marina. With their help and the efforts of the Leukemia Cup Regatta committee and community members, we hope to raise more than $110,000 for blood cancer research. Please join us and help find a cure for blood cancer, not someday, but today.
